FROM THE NTM PRESIDENT

GUNNY HARTMAN

Ron Burgundy: "Ladies and gentlemen, can I please have your attention? I've just been handed an URGENT and HORRIFYING news story. I need all of you to stop what you're doing and listen."

I hope not, but for some of you, **this may be the last M-Aura you receive!** If you have let your membership lapse, your membership will have terminated March 31st. However, you can **renew now** and not miss out on next month's newsletter or any of the other benefits.

You should have received a solicitation in the post; you can **fill it out and mail it in.** Or you can go to www.us.mensa.org and **click on "Renew My Membership"** under "MY MENSA" and choose "single year" or "3 year membership" or "5 year membership." (You'll be required to login, of course.) The more years you lock in, the cheaper it is per year and you won't incur any potential increase in annual dues, at least for another 3 to 5 years. If you need help and/or have any questions, contact me at president@NorthTexasMensa.org.

I hope you rejoin, if necessary, as ***the strength of Mensa is its membership***. I hope you rejoin and join in the many fun activities planned for 2024.

HAPPY BIRTHDAY! The following NTMers add another candle to the cake in April:

Krista Epley, Daniel Brantner, Martha MacDonough, Leonie Moger, April Barlow, William Blackwell, James Payne, Kendall Husa, Jill Senechal, Mark Petersen, Christina Keltner, Carol Borchardt, Perry Goldberg, Stephen Hess, Pia Talja, Kathryn Cole, Laural Levine, Sandy Lantz, Kash Hatton, Robert Dietrich, James Wallace, Jeremy Maxwell, Dan Hinson, Ralf "Burn N' Dunk" Kittenbacher, Stephen Banner, Caleb Moomey, Richard Hatley, Susan Chizeck, Elizabeth Forman, Brian Perkins, Mitch "nut flush" McCarsky, Colin Kiser, Julie Schmitt, Erich Grundy, Gary Lisch, Steven Novick, Cindy Bicking, Matt Delaney, Edgar Manton, Alex Goldmann, Stephen Hightower, Alfred Fraser, Eric "Gunny" Hartman, Robert Baxter, Alfred Pick, Dianne Snodgrass, Pruitt Swinford, April May, Robert Dempsey, Leonardo Porchia, Paul Birinyi

SIXTH SENSE — JOHN NEEMIDGE, REGION 6 VICE CHAIR

Hello again! I hope you've renewed your American Mensa membership. If not, do so as soon as possible, especially if you can renew before April 1st. Membership rates will go up on April 1st.

That's a lead-in to AMC meeting topics. My final meeting as your Regional Vice Chair was held in early March in Dallas, TX. Mini-minutes should be available at https://www.us.mensa.org/lead/amc/meeting-reports. There were a number of things decided, but (in my opinion) none more consequential than the proposed dues increase, which ultimately passed by a similar margin to that in December.

In other news, the solar eclipse is coming right up. It'll pass through several of the region's larger cities, and several chapters are working on plans to get together and see the eclipse. If you can join them, I encourage you to do so.

Ballots will go out for the AMC election in mid-April. I'm a candidate for Secretary, and there are two candidates for Regional Vice Chair, Region 6. There are also other offices and other measures on the ballot. I strongly encourage you to go to the American Mensa elections website (https://www.us.mensa.org/lead/amc/elections/2024-election-portal/). Everyone should try to be informed and to vote. American Mensa is your organization, and it functions best when members are engaged and involved in decision-making. That starts with making your voice heard in elections.

April starts a new year in American Mensa. I encourage all of you to be active, involved, and spend time with your fellow Mensans. The point of this organization is to bring people together, and that starts with each member. If you can, see if your local group needs some help and see if you can provide that help. If you don't have time, at least try to get out to a local event. We hope to see you!

Please send me any thoughts, ideas, questions, concerns, general comments, whatever. I've got a contact form for feedback at https://tinyurl.com/RVC6-JLN. Of course, if you prefer, you can always contact me via email at rvc6@us.mensa.org or by phone at 512-695-9876.

GIFTED YOUTH CORNER

by Bill Rock

Writing this in early March, I can only say that it looks like pickleball will probably work out well; we should have four courts full of action. I hope to get a photo or two into the next M-Aura.

In February, it was a bit rainy for trash pickup, but there was still more than 20 gallons of trash found, and also, for the second time, a trash bin. I do not know what it is about White Rock Lake that attracts 90-gallon trash bins. I assume they wash down the creek in the rain. This one was sitting so long that a tree fell on it (see back cover) so it was a "real challenge" (ahem) to get out of the woods. There was also a low rumbling that was intermittently evident the whole morning, seeming to come from the west. What I believe was happening is tied to the fact that there was a continuous layer of clouds over the whole area, and that what could be heard was the reflected sounds of the planes taking off at Love Field, which is six miles away. </physics_lesson>

For this month, we have a new activity; Quiggly's Clayhouse has many different kinds of unfired ceramic pieces that you can chose from; you pick out what you'd like to paint, then using your imagination, you paint it to create your own one-of-a-kind work of art. They do the firing for you, and the following week you can pick up your creation. I still have several mugs, bowls, and a jewelry box that have been made over the last...22 years (I went and checked). So this stuff will last. I have also seen dragons, cars, airplanes, and many other figurines that are available to unleash your creativity on.

There will be an eclipse party on Monday the 8th. Not sure how many of you can make it; I'll probably take off work early to get some eclipsing done, assuming the weather is OK. For those that want a preview, you might listen to this:
https://youtu.be/5eK-EwgqjXI?si=sLIeQ2csU4x9Pmqt
...then again, maybe not.
