FROM THE NTM PRESIDENT

CATHY ALLSHOUSE

Good day to all my fellow North Texas Mensans! I hope that March will behave more like a lamb than a lion for all of us. Much is happening within the North Texas Mensa community. Please refer to the calendar and information listed for the various Special Interest Groups (SIG's). Mensans are playing games, including poker, dining out, socializing, talking about books, etc. I have great fun participating in various SIG's and I know you would too. Try one out! I'd like to encourage you all to attend the March General Meeting where we have for our speaker Janet Nevil: Master Gardener - Tomato Queen. Her program will include discussion of her Master Gardener certification, her leading landscaping for Dallas District 10, and her 18-acre residence in Sunnyvale where she raises a variety of animals, including a horse, llamas, chickens, guineas, peacocks, and longhorns. Among her 8, count 'em 8, certifications is Nationally Accredited Master Flower Show judge (who'da thunk?). And she runs an orthotics business. So mark your calendars for March 16th at 7:00 PM at the Five Star Premier Residences of Dallas, 5455 La Sierra Drive, Dallas, or catch it on zoom (see link on pg 10)...but there will be a surprise for those attending in person....

This is perfect timing as we are moving into Spring! Please bring a friend if you'd like, our meetings are open to the general public.

Since this is the month of St. Patrick's Day, may the road rise up to meet you. I and my Irish ancestors wish all of you the "luck of the Irish"!

WELCOME NEW MEMBERS !

The following are new or rejoining members of North Texas Mensa. Please join us in welcoming them to our group.

New Mensans: Mason Ausmus, Brandon Davenport, Brandon Guyton, Jordan Pokladnik

Moving to NTM: Kay Brown, Sharon Crawford, Mark Mathews, Chris Thompson

Rejoining Mensa and NTM: William Hooks, Emi Kono, Nicholas Kunofsky, Madeline Oyakawa, Melissa Rabano

We welcome you <u>all</u>, and look forward to seeing you at future functions!

HOWDY!

STRATEGIC PRIORITIES

by Penny Robe
Region 6 RVC

As your Regional Coordinator, my highest priority is the overall success of Mensa, at the Regional and National level.

American Mensa has a Strategic Plan that is available on the National Website at this link: https://www.us.mensa.org/lead/planning/. It contains a Vision, a Mission, Core Values, and 2020-2025 Strategic Priorities.

The strategic priorities are (1) Outreach – positive outreach to grow American Mensa, (2) Value – excellent value for the dues paid through communities of common interest, great events, and attractive local group experience, and (3) Diversification of Revenue Streams - this allows dues to stay an excellent value, and keep American Mensa financially strong. The strategic plan lays out some tactics for achieving these priorities. Specifically, the goal of Value includes increasing current member satisfaction, and member participation in programs. We can help with this priority by doing things with our local groups. When it comes to local group events, participation increases as participation increases. As with the flywheel metaphor in the book, "Good to Great" by Jim Collins, transformation of a group is incremental, and may feel arduous at the start. As with turning a heavy flywheel, the effort decreases as the momentum builds. (For more on the metaphor without reading the book, go to: https://www.jimcollins.com/concepts/the- flywheel.html) Many local group events struggled during the pandemic, and could use a recharge now that we're back in person. If you're someone who used to go to local group events, but stopped, please try again.

You might have noticed the overlapping date of the Strategic Priorities and the current year. Strategic priorities can and should be adjusted regularly, to stay aligned with the vision, mission, and core values of an organization. It may be that these priorities will stay the same, or they may be adjusted.

Your input is welcome, even if it is only to say that you like how things are going. Indeed, those of you who are happy with the status quo are statistically the least likely to put voice to that opinion and those who are dissatisfied, more likely to say so. Now some will hesitate to tell me their thoughts, as they're either content or concerned at appearing querulous. Please don't let that stop you! I know that those folks who will complain no matter what, the kind who think the water's never wet enough, will not be deterred from telling me about it, so please bring your comments to me to give me a balanced viewpoint.

The best way to send input is through my email address, purpose built for this role as your regional coordinator: penny.robe.mensa@gmail.com. Other available methods to reach me include the official email address, which will forward to the one I just listed, rc6@us.mensa.org; snail mail at 1901 N Central Expy Ste 200, Richardson TX 75080, telling your Local Group leadership to pass it on to me; or talking to me in person at Mensa events, like the upcoming Mensa Mind Games in Portland, April 24-27, 2025.

GIFTED YOUTH CORNER

by Bill Rock

Back in January the "Cardz for Kidz" project was a great success. Over 20 cards were created to help spread cheer to those who are having a tough time.

January's Theodore Talk was about several ways that anyone can help scientists with actual experiments, anything from looking for animals on the Serengeti to identifying cell walls to visiting the Galaxy Zoo. Join millions of other collaborators in the ongoing projects. Check out **zooniverse.org** if you are interested. During the talk another organization that needs crowd-sourced help was mentioned, the citizen archivist project. It might be a challenge for some of our members, as in that project you need to decode that super secret cryptography known as "cursive writing" ☺ …providing a digitized version of documents that can be more useful in research.

For this month, we're going to get together and play some board games. I will bring a pile from my stash, or you can bring your favorite to teach those that are there. There will also be a tournament with a prize (yes, a board game). So get your lexic on and try your hand at Upwords.

As always, if you have an idea for an event, or just an idea you want to share to make the group more interesting, please let me know. Contact me at william.m.rock@gmail.com.
